The Windsor International Film Festival is expanding film screenings to now include the Chrysler Theatre at the St. Clair Centre for the Arts.

"We are so thrilled to be partnering with the St. Clair Centre for the Arts (SCCA) to be able to provide our guests with an additional location to see their favourite films for an exceptional screening experience" said WIFF Executive Director, Vincent Georgie. "The Chrysler Theatre is a perfect addition to WIFF and we are grateful to SCCA for their continued support".

The Chrysler Theatre will screen WIFF's Opening and Closing Night films as well as film screenings that will be scheduled all day on Tuesday, November 1st, Friday, November 4th, Saturday, November 5th and Sunday, November 6th, in addition to the traditional week-long festival schedule at the Capitol Theatre in downtown Windsor.

"WIFF is such an important cultural event for our community and the St. Clair Centre of the Arts is proud to be partnering with the festival" said Veronica Mancini, Theatre Manager for The Chrysler Theatre.
